

MARCHING CONTEST VIDEO

Dear Band Director,

UIL permits a single video of a school's marching band performance at Region and Area Marching Contests if the video is used solely for educational purposes.

I am the designated videographer for this marching contest. I will provide you with a video of your performance, but payment for the video must be made to Grubbs Video Productions.

You will receive your video after I receive the \$90.00 payment.

Payment will be accepted before the contest or when you check in at the contest. Cash, credit card, or check (personal, band booster, or school) are acceptable.

A blank invoice for the video is attached to this letter.

You will receive your video with your judges comment sheets.
